AN INVITATION TO BECOME A PART OF THE SOLUTION THE GREATER SEVENTH AVENUE IMPROVEMENT ASSOCIATION

Since 1988, your Greater Seventh Avenue Improvement Association has been busy with programs and projects to promote business and economic development of the Seventh Avenue area from 81-157 Streets. It's a big job! We need your support. Consider the following:

1. We are 100 members strong and growing. Businesses big and small, like yours, who have an important stake here, have made a membership commitment, and support the associations' effort to improve our business area.
2. We have a dedicated Board of Directors, representatives of our business community, which meet regularly to plan, and keep up-to-date on events and changes that affect our area.
3. The association publishes a newsletter. It is informative, up to date, and vital for every business person here.
4. We keep track of new developments in the Seventh Avenue corridor, including those which happen in North Miami and in the unincorporated areas. We take action when necessary.
5. The association has been involved in the economic development planing of our business area. We encourage expansion of existing businesses, and new business development.
6. The association has encouraged property maintenance standards through advisement of owners and code enforcement.
7. The association supports local laws which support area business. It was our group which brought about a more favorable sign ordinance for businesses in North Miami which face I-95.
8. We actively participate in the annual North Miami Clean City Week program.
9. To assure progress, the association retains an experienced staff member in association management and economic and business development for downtown revitalization, to handle our day-to-day business, and advise our board and membership.

We are the voice of the Seventh Avenue community.
We make things happen!
